How to get to the Design Council

We have recently moved office and are located a few minutes walk from Old Street tube station at Eagle House, 167 City Rd, London EC1V 1AW.

Take exit 1 from Old Street tube station and walk down City Road, towards Angel.

The entrance to Eagle House is directly after Sainsbury’s and up a set of steps to the right of the pavement, with Moorfields Hospital behind you on the other side of the road. There is a lift at street level for step free access. When you go up the steps or exit the lift, you will see the entrance to the Regus offices in front of you. Register with the main reception there and they will inform us you are here.
